

TEACHER IN GEOGRAPHY (BILINGUAL SUBJECT)

Grammar School/Gymnasium

Our Josef-Schwarz-School is situated close to nature in Erlenbach and centrally located in Heilbronn. Both campuses do not only share the bilingual concept and the state-of-the-art equipment and architecture, but also the intercultural spirit of the international school community. With the help of close cooperation within our interdisciplinary team, we promote a family-like and respectful coexistence on campus and create a living space for our students beyond school life - from reception to the Baden-Württemberg Abitur.

The Josef-Schwarz-School is part of the Phorms Education SE network of bilingual schools and nurseries, that has been enriching the educational landscape in Germany since 2006.
